Experience

2020 - Present

MKI Engineering Pvt. Ltd

Senior AutoCAD Draftsman

- Created CAD models and drawings for Civil, Mechanical, Architectural designs.
- Worked with architects, engineers and customers to efficiently resolve planning and construction issues.
- Ensure all works carried out are handled in accordance with relative work instructions and project requirements.
- Prepared cost estimates, contracts, bidding documents and technical reports

2012 - 2020

Macrotech Heavy Engineering Pvt. Ltd

Senior AutoCAD Draftsman

- Created CAD models and drawings for Civil, Mechanical, Architectural designs.
- Worked with architects, engineers and customers to efficiently resolve planning and construction issues.
- Created rough sketches of locations and installations based on site visits.
- Drew detailed scale plans for foundations, buildings and structures in line with preliminary concepts and engineering calculations.
- Prepared cost estimates, contracts, bidding documents and technical reports for specific projects under an architect's supervision.

2003 - 2012

Tritech Engineers Pvt. Ltd

Senior AutoCAD Draftsman

- Created designs and blueprints using Autocad according to customer specifications, timelines and supply inventories
- Coordinated design documentation from engineering teams and determined optimal method to represent building plans
- Maintain and update CAD library.
- Skilled at working independently and collaboratively in a team environment.
- Worked well in a team setting, providing support and guidance.
- Analyze specifications and requirements to determine appropriate design.
- Collaborate with project managers, engineers, and other drafters to ensure accuracy of drawings.
- Assist in the preparation of design documents.
- Prepared cost estimates, contracts, bidding documents and technical reports for specific projects under an architect's supervision.
- Supervised and trained other drafters.

2002 - 2003

Mahaweli Architectural Unit of Mahaweli Authority of Sri Lanka

Trainee Draftsman

- Learned new materials, processes, and programs quickly.
- Participated in on-the-job training, working closely with supervisors and coworkers and asking appropriate questions.
- Worked on designing & drawing of Civil, Electrical & Structural details
- Adjusted drawings and documents to check for conformance to design specifications.
- Created freehand drawings and lettering to accompany drawings.
